

SONGS OF DELIVERANCE.

17/02/2024 12:33

Exo.15:1

Then Moses and the children of Israel sang this song to the Lord, and spoke, saying:

“I will sing to the Lord, For He has triumphed gloriously! The horse and its rider He has thrown into the sea!

Deliverance is the action of being rescued or set free from a painful, bad or debilitating experience. It presupposes that the one so delivered had no power to free themselves from a higher and oppressing power. That was the experience of the people of Israel when they walked away from Egypt and seeing the host of the enemy buried in the sea. They could not but sing for joy at the great deliverance that God brought to be in their favour.

Ps.126:1

It was like a dream come true when you freed us from our bondage and brought us back to Zion!

When a fellow who has been under bondage or oppression suddenly finds himself delivered from such wickedness, they first stare in disbelief, take for example, a cage that had always been in the cage when such is set free, for a brief moment, it will just be still wondering if the freedom is real or a deception, David said, it was like a dream when the walls of oppression fell down flat and the people were returned to their land ...Free!!!

Because the wind of God is blowing now, and repositioning those that are on His side confident in God I declare concerning your life that you will sing the song of deliverance in this season.

There are a lot of people who are under bondage yet they do not know, example of those engaging in immoral acts of adultery and fornication, those that do not see anything wrong in lying, those who steal without thinking about their action, those who are engaging in acts of sexual perversions, those who smoke and use mind bending drugs etc, yet there are others who work hard without anything to show for it, there are those whose finances have a way of disappearing after they have put enough together, a "genuine" need always arises to take the money away, some are doing well on the outside, but the fire under their dresses cannot be shared with others. While Israel was in Egypt, they were comfortable with the oppression they lived with. They were so used to the oppression that even after they were delivered from the bondage they kept referencing the life that lived in Egypt at any slight discomfort.

This season, the Lord is set to deliver those who are under the oppression of any manner of power or force, and make them sing the song of deliverance, it does not however come without the desire of the individuals to be set free, many be that are comfortable in their oppression because that is what they have known all their lives. It takes imprisonment to appreciate freedom. A life that is fully surrendered to the Lord Jesus Christ is a life that is set free completely from any manner of bondage or oppression and that will sing for joy always.

John 8:36

So if the Son sets you free from sin, then become a true son and be unquestionably free!

The greatest oppression that all need to be free from is sin brought to be by Satan, therefore, turn away from Satan and his deception, come to Jesus and He will give you reasons to sing because of your deliverance.
